The SAFC will only accept bookings for the facilities when finance for the relevant production has been confirmed to the SAFC's reasonable satisfaction (for example as a minimum, written deal memos including amounts and key commercial terms for each element of the finance plan). Please note that whilst the SAFC may liaise with producers to indicate availability, any dates which the SAFC indicates as being available are not reserved by the producer until a Studio Booking Agreement for those dates is signed. Where SAFC has indicated to a producer that certain dates are available but a Studio Booking Agreement is not signed for those dates, the facilities may be made available to another production on those dates without further reference to the first producer.
