SBS FULL TILT Short Documentary Initiative

The SBS FULL TILT Short Documentary Initiative, is an exciting opportunity for South Australian filmmakers. This includes artists who want to make work for screen.

The SAFC and SBS have partnered to support the development and production of up to three short documentaries for premiere on SBS On Demand.

Each short documentary will be made by a different team. The teams are based on a writer, director and producer.

FULL TILT is for diverse film makers.

The minimum of one member of the creative team must be a Deaf or disabled person.

- Documentaries are about real people, real places, and real stories.
- The documentaries should be about the lived experience of disability.
- The documentaries need to be original and compelling.

FULL TILT will showcase the diverse talents and stories of South Australian filmmakers.

FULL TILT provides an opportunity to establish a working relationship with SBS.

Submissions close: 13 August 2018
