SA Revolving Loan Facility

South Australian **Film Corporation**

The South Australian Revolving Loan Facility is a South Australian Film Corporation (“SAFC”) administered loan facility which supports the financing of South Australian film and television productions.

What is the scheme?

Through the South Australian Revolving Loan Facility, the SAFC provides secured loans to finance long-form dramas and documentaries which are either stand-alone projects or series.

Generally, there are two types of loans available under this scheme:

- *Producer Offset* loans are available to cash flow the Producer Offset for eligible Australian productions; and
- *Distribution Guarantee / Licence Fee* loans are available to cash flow distribution guarantees or licence fees from reputable distributors or broadcasters.

Up to 90% of Qualifying Australian Production Expenditure (QAPE) can be provided as a loan, subject to eligibility and availability of funds.

Who is eligible?

- South Australian based production companies engaged in producing major production initiatives in South Australia.

What projects are eligible?

Projects that are eligible for funding under this program include:

- narrative driven, long-form drama and documentary projects, that are stand-alone or series and are intended for commercial release via theatrical, broadcast and /or digital platforms (both live action and animation are supported).
- The projects must be produced in South Australia, with at least 50% of the production’s below-the-line costs expended in the State. The crew must be predominantly South Australian.

Projects **must be** Australian projects or official co-productions.

Projects are expected to have:

- An independent, third-party QAPE Opinion
- A Provisional Certificate or evidence that an application has been made

- A completion bond (in which case the SAFC will require a letter of intent from a recognised completion guarantor demonstrating their intent and the level of bondable QAPE).
- For television productions without a bond, the SAFC may waive the requirement for a completion bond where the broadcaster agrees to closely monitor the production spend across production and post-production. Applicants must provide this confirmation from the broadcaster in writing.

What is on offer?

Up to:

- \$850,000 per South Australian production company or project at any one time

What are the minimum requirements for application?

Loan Agreement: the contract between the SAFC as lender and the applicant as borrower details the terms of the loan.
